ALLEN QUILTS

And Utley Will Preside Over Kentucky Senate.

But One Contest to Come Before General Assembly For Seat in That Body.

Frankfort, Ky., Jan. 5.—Senator Newton W. Utley, of Lyon county, will preside over the Kentucky Senate as president pro tempore, and by virtue of his office he will be the acting Lieutenant Governor of the Commonwealth. All doubt about this was removed to-night when his only opponent, Senator J. Embury Allen, of Fayette county, authorized the announcement of his withdrawal from the contest.

Sen. or Utley was a member of the last Senate and was one of the leaders on the floor. His ability was quickly recognized and he was urged by fellow members to become a candidate for President of the Senate to succeed the Hon. Lillard H. Carter, whose term expired with the year 1901. Senator Utley being an experienced parliamentarian, will doubtless make a fine record, not only for himself, but for the party that is to elevate him to this high seat of honor.

There will be but one contest to come before the General Assembly for a seat in that body. This is something unusual. Even many years ago there were half a dozen or more, and during the past few years there have been from a dozen to twenty.

Mr. John Feland, Jr., (Rep.) has served notice on Senator D. S. Edwards (Dem.), of the Hopkins-Christian district, that he will make a contest.

Mr. J. R. Purcell (Pop.) at first announced his intention of contesting the election of Representative W. F. Nichols (Rep.) who was elected by four votes. But his recent decision not to do so leaves the House without a contest.

A BILL.

To Abolish McCord School Bill Before the Legislature.

A bill has been drafted and will be introduced in the Lower House of the present Legislature by Hon. Jas. F. Rogers, Representative from this county, designed to take the place of what is known now as the "McCord School Book Bill." We have read the bill and give a synopsis of the text, which is as follows:

The purpose is to establish a uniform series of text books to be used in the public schools of the commonwealth; the board of commissioners shall be composed of eleven members, one from each congressional district, appointed by the Superintendent of Public Instruction; compensation \$5 per day and mileage; books selected to be for a term of ten years. Publishers to guarantee three prices—contract price, retail price and exchange price; two or more dealers in each county to be selected to sell such books; vacancies by death or otherwise to be filled by the superintendent of public instruction; removal of members by the superintendent with or without cause; no other text books to be used after Sept. 1, 1902.

WEEK OF PRAYER

To be Observed by Churches of This City.

Beginning Last Night at the Methodist church, and Closing Saturday Night.

At a meeting of ministers of the city, held in the study of Dr. Nourse, of the Ninth Street Presbyterian church, last Saturday afternoon, it was unanimously agreed to observe the week of prayer, which is more or less observed the second week in January each year by the Evangelical churches throughout the world. Owing to the extremely cold weather it was decided to hold all the meetings in the auditorium of the Methodist church. By request of Dr. Southgate, Professor Edmond Harrison, of Bethel Female College, will conduct the meeting the night allotted to Dr. Southgate.

All meetings will commence promptly at 7 o'clock p. m. and close at 8:15. The first fifteen minutes will be devoted to a song service. The choirs of the different churches are requested to be on hand and take part in singing.

Following is the allotment of the pastors:

Monday, Dr. Wyatt.
Tuesday, Elder Smith.
Wednesday, Prof. Harrison.
Thursday, Rev. F. L. Goff.
Friday, Dr. Nash.
Saturday, Dr. Nourse.

The topic for last night, "The Vision of God in Christ."

The topics for each succeeding night will be announced from the pulpit from night to night.

The week of prayer has been observed for a decade or more, and has always resulted in much good to the churches. No doubt our people will take great interest in the meetings of this week and they will be largely attended.

PECULIAR ACCIDENT.

Huge Icicle Crashes Through Coach And Injures Passenger.

Mr. J. K. Moss, of Mayfield, was the victim of a peculiar and very serious accident. He was on the F. F. V. limited C. & O. train, and when near Hawks Nest, West Virginia, while the train was running at a fast clip, a mountain icicle which had fallen from above struck the roof of one of the day coaches, knocking a hole in it as big as a man's body.

The piece of ice weighing over 100 pounds, struck the car floor and a shower of ice was sent all over the car. Most of the occupants of the car were dozing and were badly frightened.

Several of the occupants of the car were slightly bruised, but only one, Mr. Moss, was seriously injured.

Dr. Rose, of Hinton, W. Va., who was on the train, attended Mr. Moss, who was cut and bruised and injured about the abdomen.

STORE BURGLARIZED

And \$100 Worth of Merchandise Carried Off.

Last Friday night burglars entered the fruit store of Tom Datillo, on Ninth street, and carried off about \$100 worth of merchandise. The thieves effected an entrance by prizing open the rear door.

The matter was placed in the hands of the police and Saturday afternoon Amos Wootton, John Benton, Les Oldham and Dallas Garrett, all colored, were arrested charged with the burglary. Yesterday Wootton and Oldham had an examining trial and were held over to Circuit Court. Benton and Garrett waived examination and were recognized to answer any indictment that might be found against them.

MRS. SMITHSON

Passes Away After a Lingered Illness.

Mrs. Kate Smithson, wife of Mr. Dennis F. Smithson, died at her home on South Walnut street, yesterday afternoon. Her death was not unexpected. For many long years she had been a victim of consumption, but being a woman of marvelous endurance and fortitude, it was only when the dreaded disease had so sapped her physical strength that she at last gave up and took to her bed. Hers was a beautiful Christian life and one of marvelous hope. No lady was more beloved and respected and her death will cause universal regret. She leaves a fond husband and loving daughter to mourn her loss. Funeral arrangements have not yet been announced.

TELEGRAPH COMPANY SUED.

Telegram Filed But Not Sent, It is Alleged.

Bowling Green, Ky., Jan. 4.—J. W. Cannon and wife, of Smith's Grove, have brought suit at Bowling Green against the Western Union Telegraph Company for \$1,500 damages. They charge that Mrs. Cannon's brother, M. D. Lewis, died near Hopkinsville recently, and that a telegram was filed in the Hopkinsville office to Mrs. Cannon at Smith's Grove, apprising her of his dying condition, but that the message was never sent from the Hopkinsville office and never delivered to her.

Its First Meeting.

The new City Council held its first meeting last Friday night. All the members of the board were present. The bonds of the new officials were presented and filed. The report of City Treasurer Edmunds showed a balance on hand, out of general fund, of \$1,345.54; school fund balance \$5,944.25. It will be gratifying to the public to know that from present indications, there will be no necessity for an increase in the tax rate for the present year.

An adjourned meeting was held last night.

They were accompanied by Mr. J. R. Marquess and Miss Maggie Boyd.

JUDGE FOWLER

Opens Court in a Business-Like Manner.

New Officers Sworn In, But Nothing of General Interest Going On.

After taking the oath of office, our new County Judge, W. T. Fowler, entered upon the duties of his office yesterday. When a representative of this paper entered his office the railing separating the Judge from the public, was filled with people patiently awaiting their time to demand his attention on matters not of general interest. These were one by one attended to in a business like manner. When the proper time came His Honor was approached with a view of ascertaining whether or not anything of importance was on hand, or any orders of interest had been entered on the records of the court. There was nothing beyond the following: County Clerk Prowse had again taken the oath of his office, as had also W. R. Wicks, his chief deputy. Mr. Prowse's youngest son, John P., had also been sworn in as a deputy clerk. Sheriff Lem. R. Davis also took the oath of office, as well as E. W. Stirling ("Willie") deputy sheriff. John Boyd, the new jailer, has entered upon the duties of his office, and Kinney Tyler, col., has been appointed his deputy. Mr. J. P. Tate, at present city tax collector, will be one of Sheriff Davis' deputies, and will have charge of the financial department of the office as soon as his relations with the city is dissolved.
